

The City of Buffalo Common Council

ACHIEVEMENT • CONCORDIA • KNOWLEDGE

- Whereas,** founded in 1951 by the National Society of Professional Engineers (NSPE), EWeek has since evolved into a formal coalition of more than 70 engineering, education, and cultural societies, and more than 50 corporations and government agencies who share the common goal of recognizing our dedicated, diverse and well-educated engineering workforce;
- Whereas,** by increasing understanding of and interest in engineering and technology careers, EWeek raises public awareness of engineers' positive contributions to quality of life. EWeek promotes the importance of a technical education consisting of a high level of math, science, and technology literacy, motivating youth to pursue careers in the engineering workforce; and
- Whereas,** Engineers face many technological challenges, so as we look to speed our country into the future, we will rely on their knowledge and skill coupled with their creativity and innovation to continue to meet the challenges of the twenty-first century:
- Now,**
- Therefore** The City of Buffalo Common Council along with Middough Inc., in support of the National Society of Professional Engineers, hereby proclaim February 19 through February 25, 2023, as ENGINEERS WEEK / EWeek in the City of Buffalo.

WITNESS WHEREOF, we hereunto set our official hands and cause the Seal of The City of Buffalo to be affixed. The Common Council adopted this proclamation and entered it into the public record of The City of Buffalo Common Council on this day, February 19, 2023.
